Greetings from the Elferratspräsident

Welcome to the 54th season of Karneval at the Phoenix Club in Anaheim, CA! The party events of the 5th season are a place to forget worries and to celebrate fun times with friends, new and old. While we have several major events at the Phoenix Club, we will also be travelling in January to Las Vegas for the annual German American Mardi Grass Association (GAMGA) gala weekend and then a night to visit our friends at the German American Societies for a party there in San Diego. We round out our travels this season with a two night event in February hosted by our friends, the Blauen Funken Edmonton up in Canada. While we look forward to seeing you at our home events, we would also like to encourage you to join our group. We have events year round and if you have an interest or love of German Karneval, we are always open to new members!

*Phoenix Helau!
Mark Davis, Elferratspräsident*

Greetings from the Phoenix Club Board

On behalf of The Phoenix Club Vorstand, we express our sincere congratulations to the 2018-2019 Anaheim Karnevalsgesellschaft Prinzenpaar, S.T. Prinz Patrick I. and I.L. Prinzessin Letty I.

You are great representatives to the spirit of Karneval and our Club as you celebrate your reign this season.

Linda Kriesant
President
The Phoenix Club

Message from the Group Leader

Welcome to Anaheim Karneval for the 2018/19 year. As always we have some new and some old for you. We have the old tradition of a Prinz and Prinzessin, but of course we have a new and exciting Prinzenpaar to rule over the Fifth Season. We have the familiar events that everyone enjoys such as Prunksitzung, Karneval on the Reeperbahn, and Piratenball, but they are never the same from year to year.

Each event brings new people, new ideas, and new fun. Our three dance troops are, of course, back this year, but The Smiley's, The Damen Revue, and The Prinzengarde can be relied upon to deliver something fresh and entertaining at each performance.

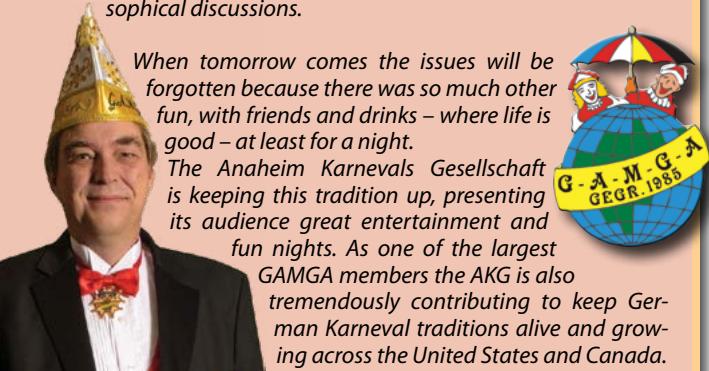

Finally, the Elferrat have been plotting something behind closed doors, and one never knows what they might spring on us. Remember we do Karneval for our guests, so come out to the events, grab a seat and a drink, relax, and let us entertain you.

Paul Smith
Gruppenleiter

Let's make Karneval Great (again)!

These are interesting times, where strong differences in political opinions can influence our behavior, life and friendships as the polarizations of views seem to become more extreme, both in the US and Germany. Karneval is one of the few places where people come together just to celebrate life, fun, freedom, and where jokes about politicians and different viewpoints can be shared without getting into deep philosophical discussions.

When tomorrow comes the issues will be forgotten because there was so much other fun, with friends and drinks – where life is good – at least for a night. The Anaheim Karnevals Gesellschaft is keeping this tradition up, presenting its audience great entertainment and fun nights. As one of the largest GAMGA members the AKG is also tremendously contributing to keep German Karneval traditions alive and growing across the United States and Canada.

We will meet in Las Vegas and all the other places, where we the fun loving people from all over the USA, Canada and Germany will gather and celebrate and party – and show the world that there is a time and place where friendship can be celebrated despite politics.

As the President of GAMGA I would like to thank you all and wish you a successful and enjoyable 54. Karneval Season.

*Alaaf and Helau

Proklamation 2018/2019

Es ist eine Ehre hier oben auf der Bühne vor euch zu stehen neben Ihrer Lieblichkeit Prinzessin Letty, Ein lebendiges Denkmal der Schönheit für die Menschheit. Zwischen uns gab es noch nie einen Streit, nicht einmal über eine Kleinigkeit. (Denn schon seit meiner Kindheit erzähle ich nie die Wahrheit). Vor gut 160 Jahren siedelte hier in Anaheim eine Gruppe aus Franken. Die möchte ich Heute bedanken.

Und jetzt die Regeln der Saison: And now the rules of the season:

1. On the dance floor there is to be flirtation, gyration and maybe even a little temptation - though not a hint of hesitation or desperation.

2. There is to be the consumption of libation (beer and wine) made through fermentation and Consumed - in theory - in moderation. Or, at least not to the point of intoxication or disorientation, as we wish to see no incarceration or hospitalization.

3. Wir werden das Folgende nicht tolerieren:

We will not tolerate the following:
Aggravation, condemnation, defamation, indignation, intimidation, irritation, provocation, humiliation, accusation, victimization, vilification, denunciation, misinformation, or - and Esferat I'm looking straight at you - disorganization.

Das war alles etwas negativ. Jetzt das Positive:
That was all a bit negative. Now the positive:

4. We expect your full cooperation in the implementation (or incorporation) for the duration of the celebration your fascination, conversation, motivation, affirmation, and maybe even a little admiration.

Prinzessin Letty, who's wings are white and feathery and I, Prinz Patrick, who's wings are black and leathery are aware that we live in the shadow of a magical kingdom that claims to be the "happiest place on earth." Though, it is our goal this season to show the world that we have much more mirth.

S.T. Prinz Patrick I. und I.L. Prinzessin Letty I.

ELFERRAT 2019

The Elferrat (Council or Committee of 11) serve as the planners of the Karneval Season. It's their responsibility to put in place functions for the celebration of the 5th season. After that, they too take part in the event festivities, holding little back.

(L-R) Richard Berger, Gary Bonie, Paul Smith (Gruppenleiter), Kurt Hauptmann, Walter Luebke, Mark Davis (Elferratspräsident), Rudi Graef, Joe Spaziano, Daniel Friedl, Erik Schwarze, Alfred Hauptmann, Richard Lund (Hofmarschall). Nicht im Bild: Jürgen Picard, Richard Herber

We are the Prinzengarde from the Anaheim Karnevalsgesellschaft at the Phoenix Club in Anaheim, CA. This year we have a total of fifteen dancers, led by our TanzKapitäns, Vanessa Dimnik and Megan Spaziano, who is also the choreographer of our amazing routines. We also have two separate special performers, including our Tanzmariechens Amanda Hernandez and Samantha Spaziano, and our Funkenmariechen Rebecca Spaziano. We as a group have a blast dancing together and performing to put smiles on others' faces.

If you are someone who likes to have fun, laugh and dance we are ALWAYS looking for new dancers to join our group! We hold practices starting in the spring prior to our new season in preparation for our performances in the upcoming Karneval season. If you are interested in joining our group you can contact our TanzKapitän Vanessa Dimnik via email at vanedimnik@yahoo.com."

SMILEYS

21 Years and going strong!

Karneval is here again, our favorite time of year, The Smiley's are ready to celebrate and party. We have been diligently working on our routine in spite of our various aches and pains.

We are looking forward to our performances of our 21st season, most of which stood under the expert guidance and tutelage of Margie Baurman. Margie also designs and creates our costumes. We thank all the board of directors and the AKG of the Phoenix Club for their continued efforts to keep the Karneval Spirit alive.

DAMEN-REVUE

Karneval Helau!

The Damen Revue are excited for this Karneval season! We are returning for our third year and are looking forward to entertaining you with more comedy, song and dance. We are happy to welcome our newest members: Rosa Dorn and Ginnie Rhoden, and we are especially proud of our Damen Revue Prinzessin for 2018-2019, Letty I. We would also like to acknowledge our talented choreographers, Todd and Gary, and thank them for their patience and for teaching us some nice dance moves! Special thanks to our seamstress, Karen - we love our new dresses!

We look forward to seeing you at Karneval!

KARNEVAL FOR DUMMIES

So, someone invited you to German Karneval and you have no idea what to expect? Well, to begin with German Karneval is not American Mardi Gras. The festivities you may have seen in New Orleans drew their beginnings from Karneval in Germany, but that's about it for what they truly share.

SO, WHAT IS GERMAN KARNEVAL?

Karneval in Germany began in the 16th century to allow commoners to mock the monarchy and politicians without fear of retribution, but it really took off in the 19th and 20th centuries. Therefore many "official" Karneval costumes copy some of those old official uniforms and dresses.

Karneval is nicknamed "The 5th Season" in Germany and starts on 11.11 at 11:11am and lasts until Ash Wednesday (which is in February or March of the following year).

In Germany, the core time of the Karneval season are the two (2) weeks before Ash Wednesday. Some areas of Germany will basically shut down during the last week before Ash Wednesday - where people will party for 4-5 days in a row at street parties, bars, events, and in their homes.

On Rosenmontag (the Monday before Ash Wednesday) in the City of Köln (Cologne), over 1.5 million people will turn out to celebrate and to watch the 3 mile long Karneval parade. That same day, one could travel away from Köln and find other cities where 200,000 - 500,000 people have turned out for festivities in a particular city. The fact is Karneval is THE BIG EVENT during winter time in Germany.

While there is no "true" recipe for Karneval, most cities have certain traditions that have come forward from the 16th century. However, many traditions can and do vary from city to city, town to town. They do though, share a few common attributes:

ELFERRAT - the "committee of 11" are basically the organizers of the events. The Elferrat wears distinctive uniforms and - especially important - "**FUNNY HATS**".

ROYALTIES - most areas have "royals" that reign over the city during the Karneval season. The most common is a **PRINCE** often accompanied by a **PRINCESS**. Karneval in Cologne is under the reign of a **DREIGESTIRN**, consisting of the Prince, the Bauer and the Jungfrau. The royals are surrounded by MANY "supporters" that have various functions (usually in a funny way), e.g. there is a Prinzengarde (guard of the prince) - which may consist of (pretty) women - whose only task is to dance.

SHOW DANCE performances during the events - Some performances can be really artistic while others are just slapstick (i.e. men dressed as women). The performers are all amateurs, only performing during the season (but practicing all year long!).

ORDEN (medals) - every Karneval Club creates its own medal for each season. People dress up for Karneval events. The best comparison would be American Halloween. The big difference is that for Karneval people definitely dress up "funny".

FUN - the fun is mostly created by the audience by dressing up, dancing - and usually by a bit of drinking. However there are also more formal events where stand up (amateur) comedians provide quite a show, making timely fun of local or state events or themselves. Common rules are often abandoned, e.g. kissing strangers and provocative clothing (for women) is quite normal.

LEARN TO CELEBRATE GERMAN KARNEVAL IN AMERICA

People need fun and relaxation. You had four weeks to clean up the Christmas tree, three weeks to recycle the bottles of the New Year's eve party - now what?

GO TO GERMAN KARNEVAL! WHAT CAN YOU EXPECT?

German Karneval in the United States follows more or less the rules and tradition of the "original" Karneval in Germany. There is a program and dancing which is a mixture of German Karneval songs, ballroom dance, and popular dance songs.

The events have themes and you are strongly encouraged to dress to theme with no limits set. If you want to show off, you can, it's Karneval! This way you can also go after one of the prizes in the costume contest too!

The important part is you, your friends, and the designated driver you bring or call.

The evening, the costumes, the dancing and drinks are meant to celebrate and enjoy the craziness and freedom of the Karneval night!!!

YDG "Kinderkarneval - Past, Present & Future"

In 2019 begins an exciting 50th anniversary year for the Youth Dance Group (YDG) of the Phoenix Club. So this year we greet all Narren & Nährinnen with a doubly loud "Helau! 50 years! Helau!" and cordially invite all the children and those "young at heart" to join us for our anniversary season. "Kinderkarneval Past Present and Future". Our time travel will include the coronation and proclamation of:

Prinz Christopher II. and his Prinzessin Christina I.

On Sunday, February 24th at 1:11 pm in the Phoenix Club Ballroom.

Those who can remember all the way back to 1969, will note that it was the year of The Beatles last performance, of Boeing's new 747 jumbo jet and the Concorde first flight. It was the year of Woodstock, the Apollo 11 mission and the first man on the Moon. 50 years later, these iconic bands, gatherings and celebrated programs are no more. Not many things make it to their 50th anniversary. The YDG has done so, literally, without missing a beat.

It speaks to the commitment of the organizers, leaders, teachers and parents and the importance of what we are teaching the children. We are proud to have such a great facility and club family to support us.

Since its founding in 1961, the Phoenix Club had comfortably grown a membership of young families. And in May of 1969, several club members and families thought it would be a nice idea to offer activities, such as dance lessons and events that would engage the children. Through the efforts of Paul Werner, Frank Gunther, Ann Borowitz and their families the Phoenix Club Ballettgruppe was founded. Madame Elganova, was our first ballet teacher, and lessons back then were held on Saturday mornings in the ballroom.

To the current members of the YDG, these events happened more than a lifetime ago, but the sentiment is still the same. We still have a lot of fun performing, even when it means giving up a weekend afternoon for practice. We enjoy sharing our talents and representing the Phoenix Club at Kinderkarneval, Maifest, Oktoberfest, and the Kinderweihnachtsfeier as well as the Orange County Fair, GAMGA and the German-American Schools and the German-American Association in San Diego.

Our former members also continue to show their attachment and affection for the group. Many of them stayed with dance and went on to join the Phoenix Club Prinzengarde, Schuhplattler, or other dance teams and dance companies. Some of them have their own children participating in the YDG today.

Simply put, over the last 50 years, The Phoenix Club YDG has provided a home to many young people both culturally and socially, as well as, providing thousands of spectators with enjoyable hours of satisfaction, all while making memories and life-long friends in the process.

We are looking forward to the next 50 years!

Heidi Davis, Former YDG member and Gruppenleiterin 2008-2018

Today our group has 17 boys and girls actively participating. We are happy to take dancers as young as 3 years old and up to 18 years old. Practice is held on Sunday's from 1-3pm at the Phoenix Club Pavilion.
